#### Important Notes:

1. Please make a note of the Club Dates. You will only be contacted in advance of the first session if your child **does not** have a place.
  2. The number of places available per club each term is limited for quality control reasons. Therefore, we must apologise in advance for those we have to turn away after the club is full.
  3. Science club fees are non-refundable (except in circumstances where your child either changes school or has prolonged illness/injury which prevents them from attending school). Please refer to our website for a full list of T&C.
  4. This Science club is operated by Mother Nature Science Herts | I Love Science Ltd Company Reg. No. 11253564 Tel: 01923519417
- Web: [www.mnature.co.uk](http://www.mnature.co.uk)

Book online! Go to: [www.mnature.co.uk/booking](http://www.mnature.co.uk/booking)

For all Enquiries

Contact us at [herts@mnature.co.uk](mailto:herts@mnature.co.uk) or call 01923 519417

**Science System 1- A New Science Topic Every Week from:**

**See all you can see-** The science of vision, make a Benham's disc.

**Feeling Hot, Hot, Hot-** The effect of temperature, take home a heat sensitive strip.

**Super-Sized Space-** The solar system, make a glow-in-the-dark solar system mobile

**Eggonauts-** Save Eddy the Egg by designing a drop zone! Learn about momentum

**Balloon Hovercrafts-** Overcome friction, make your own hovercraft.

**Air Rockets-** Investigate the history of rockets and make your own rocket!

**Catapult Comp-** Discover gravitational potential energy and make your own catapult!

**Hoop gliders-** Can Hoops fly? Investigate and make hoop gliders!

**Butterflies and Mini-beasts-** Camouflage your butterfly so it can hide from our hungry bird.

**Tube Tubas-** Make your own tuba while picking up some (good) vibrations.
