8 December 2016

Dear Parents,

Each year in the Autumn Term, I write a report for Parents that gives you headline information about the school, particularly with regard to the Key Stage 2 SATs results.

Following parental feedback, I have significantly altered my approach to writing this report, to ensure that the information is presented visually, and therefore does not take too much time to read.

In this year's report I would particularly like to draw your attention to our inclusion in the Sunday Times list of England's best 500 primary schools. Schools were ranked based on the number of children who achieved level 5 in reading, writing and mathematics between 2013 and 2015. We were ranked 128th and are the highest achieving school in Watford, the second highest achieving in South West Hertfordshire.

This, of course, does not happen by accident, and we pride ourselves on strategically leading the school to ensure that it is fit for the challenges of the 21st century. The Sunday Times result and the view of leadership and management from the Local Authority, points to the fact that we have been able to do this.

I would like to offer my sincere thanks to our Class Teachers, Teaching Assistants and all who help to provide a wonderful learning environment for your children. Thanks, also, go to the children themselves who display an enthusiasm for learning that, in my experience, is unprecedented.

I hope you will enjoy reading the report.

With best wishes,

Christina Singh
