

Nascot Wood Junior School Newsletter: June 2017

Headlines

Dear Parents,

We are delighted that the warmer weather has arrived and we have been able to open the swimming pool in a special ceremony attended by all the children on 22nd May. Lessons are now ongoing and the children are really enjoying the luxury of warm showers and well-appointed changing rooms! Please ensure that your children have their swimming kit in school each day so we can take full advantage of this wonderful facility.

Science Fair

A big thank you to Mr Moonie for arranging such a successful fair on Monday 22nd May. All the children really enjoyed having an opportunity to demonstrate their science work this term. Please complete the questionnaire the link for which has been emailed to you.

Sports events:

Congratulations to;

U4 Tennis Teams- Well done to the finalists who won the County Finals yesterday! Well done to the teams who performed brilliantly on 17th May in the Hertsmere Sports Tournament. We have some great little tennis stars!
Girls Football - a group of our keen footballers attended a Watford Ladies Football match on 20th May and made fantastic mascots for the Ladies team, well done!

U6 Cricket Teams won their district final on 23rd May and are through to the County Finals next month. Good luck to the team representing us in the forthcoming finals.

We have arranged to take class photos in all year groups on the morning of 21st June so please could you ensure that your child comes into school smartly dressed, as usual, in full school uniform with school shoes and if needed ensure your child has a brush or comb to tidy their hair.

Hertfordshire County Council are leading work with other authorities to promote 'National Clean Air Day' on 15th June. They would like to use this as an opportunity to encourage parents and children to travel to school sustainably. They would like as many schools as possible to take part and are encouraging parents to switch off their engines outside the school and help improve the air quality around schools. Air quality affects everyone's health especially children because their lungs are still developing. High pollution has been linked to respiratory conditions, such as asthma.

Music

Congratulations to Zoya for achieving a distinction at Grade 1 for cello and to Alessio for achieving a distinction at Grade 3 cello.

As you know the school has visiting music teachers from Herts Music Service. Our drum, brass, violin and piano teachers have some capacity for extra teaching. If you would like further details or your child is interested in lessons please contact the school office.

Free School Meals

- You can apply at any time of year for Free School Meals if you think you might be eligible via www.hertfordshire.gov.uk/freeschoolmeals. NO NEED to reapply for free school meal for September 2017. 100% music remission will be renewed automatically.
- Letters will be sent out in August to any families whose children are no longer entitled to receive a meals or 100% remission for music. Where Music remission of 50% is currently applicable re-application WILL be needed via: www.hertfordshire.gov.uk/freeschoolmeals from the 7th June 2017.

Recital Hall Bookings

If you are interested in booking the Recital Hall for any event please contact the school office number 01923 238784 or email; Recitalhall@nascotwoodjm.herts.sch.uk

Wishing you a good month.

With best wishes,

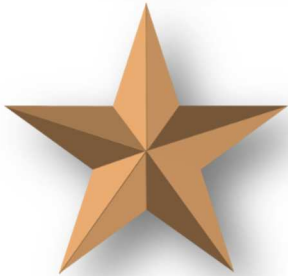

Christina Singh
