Dear Parents,

Art Competition

Well done to all the entrants to the Watford Museum Art Competition and particularly to First Prize winner- William O, Second Prize winner Peter and Third Prize winner Stefanie !

Sports :

Congratulations to Miss Brown for securing the very prestigious Gold Sports Mark Award for the school ; many thanks to her for her commitment and hard work .

Well done to the Y5 Golf team who participated in the Watford and Hertsmere Trigolf Championships. They represented the school very well and enjoyed taking part in a new sport.

We are continuing to participate in sports events right up until the end of term so we would like to wish both Y4 girls and boys football team and Y4 tennis finalists the very best of luck in their upcoming events.

Thank you to all those parents who have supported their children throughout the year by transporting children to and from venues. Without your continuing support we would not be able to take part in all the sporting events this year. We look forward to seeing you at sports day tomorrow to celebrate this important event in the sporting calendar as well as to the swimming galas this week and next week.

Music

Congratulations to Hannah K for passing her grade 1 clarinet exam with distinction and Peter R for passing his grade 2 clarinet exam with distinction.

As you know the school has visiting music teachers from Herts Music Service who have spaces available for music lessons starting in September. If you would like further details or your child is interested in lessons please contact the school office.

Medical Information

We understand that in recent weeks across the country there has been a significant increase in reported cases of mumps among adolescents and young adults. Mumps is a viral illness that is spread by coughs and sneezes or close contact with someone who already has the infection. Older children, teenagers and young adults who have never previously had MMR vaccine or have only had one dose of it, should contact their GP surgery to arrange to catch up with outstanding doses. Those who have already had one dose of MMR vaccine as a young child will only need one further dose, no matter how long ago a first dose was given. It is never too late to have the vaccine if you haven't had two doses.

Free School Meals

Contrary to information previously given, we understand that it will now be necessary for parents of children in Y2 to make an application for Free School Meals for next year. This is particularly important as Universal Free School Meals does not apply and all meals will otherwise be chargeable.

Recital Hall Bookings

If you are interested in booking the Recital Hall for any event please contact the school office number 01923 238784 or email; Recitalhall@nascotwoodjm.herts.sch.uk

We wish all the very best to all of those who are moving on and will look forward to welcoming everyone else and those students new to the school in September.

Wishing you a good month and Summer holiday.

With best wishes,

Christina Singh
