

11<sup>th</sup> February 2020

Dear Parents,

As you will be aware, our school uniform providers for the past four years have been Brigade and Beat. Beat is a local firm and parents find it useful to be able to visit their shop to try uniform on before purchase. Parents have also reported to us that they find the quality of the uniform from Beat to be better than that of Brigade.

We are reviewing our contracts as part of our annual budgeting, and we have decided to terminate our arrangement with Brigade, giving the contract solely to Beat. This will mean that the school will receive some commission on the uniform sold, which will help us with our diminishing budget. Uniform will still be available from Brigade until the 29<sup>th</sup> February 2020. From March onwards, school uniform will be available from <https://beatschooluniforms.co.uk/>

We hope that you understand the rationale for our decision, and that you continue to be happy with the standard of uniform from Beat school uniform shop.

Yours sincerely,
