Thought for the week...

'Autumn is a second spring when every leaf is a flower'

Dear Parents,

Your children have continued to impress me this week, as they have adapted to the changes of being in a new class and having a new Class Teacher.

In line with the government's guidance, we are now allowing the children to play in larger groups.

We notice that, as a result of them playing in small groups for nearly two years, some social difficulties are arising. However, I want to reassure you that we have supported the children's reintegration by slowly increasing the number of children on the playground and will continue to provide whatever support is needed.

Please could you support the school's work at home by talking to your child about being tolerant of others and kind.

Wishing you a restful weekend.

With best wishes,

Christina Singh

Headteacher

Congratulations to our Year 6 prefects

Prefect

Vacancy

We are advertising for a Teacher to cover a period of maternity leave, beginning in November and ending in December 2022.

For more information and to apply please click [here](#)

We offer a highly positive interview process, including feedback following the outcome.

Are you interested in contributing to the development of the school?

We are looking for some new parent governors to join our governing body.

The current board of governors contains a wide variety of individuals, including current and ex-school parents from various backgrounds, job roles and industries.

We are looking for new governors from diverse and varied backgrounds to represent our school community. You do not have to have any particular qualifications or experience.

If you are interested in the school's continuing development and have the ability to be objective and a willingness to offer your ideas, you would be a great addition to the group.

The role of a Governor is to work collaboratively with the senior leaders to set the aims and objectives for the school and set the policies and targets for achieving those aims and objectives.

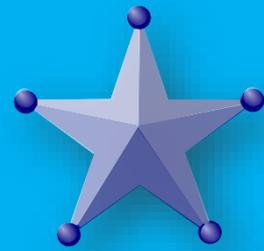

They monitor and evaluate the progress the school is making and act as a source of challenge and support to the Headteacher.

We are particularly interested in anyone with financial experience or an understanding of safeguarding.

The only requirement is that you can attend the governing body meetings held six times a year (twice a term) and carry out approximately three visits to the school per year. You will have access to training, supplied by Hertfordshire Local Authority and will be supported by an experienced governor.

If you think you might be interested or want to know more please let us know. We would be happy to have a discussion or put you in touch with one of our existing governors for an informal chat.

Stars of the week 10th September 2021

Class	Nominee	Reason
Holly	Sophia	For making a fantastic start in the Junior School and always trying her hardest.
Willow	Tanvi	For starting year 3 with enthusiasm and a determination to do everything. You are a delight to have in the class and I am looking forward to seeing you blossom over the coming year.
Oak	Yasmina	For always staying focused and working hard during every lesson.
Juniper	David	For having an excellent start to the year and setting a great example to his classmate.
Elm	Marina	For having an excellent start to year five and working extremely hard.
Beech	Lauren	For showing a fantastic attitude and for making a confident start in her first week in a new Year Group.
Rowan	Yuveeksha	For a fantastic start to the year, you have been a model pupil and excelled in your assessments.
Poplar	Amelia	For being a model Year 6 student: focused, enthusiastic, hardworking and extremely positive. What an excellent start to the year!

Stars of the week 17th September 2021

Class	Nominee	Reason
Holly	Moksh	For settling into Nascot Wood so quickly and enthusiastically participating in lessons.
Willow	Samuel	For persevering with his reading and working hard to make sure that he adds expression when he is reading aloud.
Oak	Kaitlin	For her positive attitude during maths lessons, which has allowed her to grow in confidence and make progress throughout the week.
Juniper	Millie	For creating a beautiful cherry blossom drawing in Art.
Elm	Max	For consistently showing kindness and empathy towards his classmates.
Beech	Yahya	For sharing his knowledge and enthusiasm for our Space topic in Science.
Rowan	Noah	For proactively helping out his friends.
Poplar	Dominic	For his additional knowledge and enthusiasm during the teaching of the human heart and the double circulatory system in Science. We really are a community of learners!
