

Information update for Parents

- Letter to parents
- Stars of the week
- Many congratulations

Friday 15th October 2021

Dear Parents,

I am writing a very short report this week.

I am pleased to tell you that the last confirmed covid case was over a week ago, and we are therefore hopeful that the outbreak has been contained.

The Local Authority covid response team will be in contact before half term to assess whether there is a continuing need to implement our additional covid safety measures. I will, of course, inform you when I have more information.

As always, I would like to thank you for your help and support during this challenging time.

Wishing you a restful weekend.

With best wishes,

Christina Singh

Headteacher
