The Leaves on the Trees installation will be visiting towns and cities around the country. It is currently being exhibited at St Albans Cathedral.

It has been designed to honour those who have passed away during the pandemic and to allow us all to take a minute to contemplate what we have been through both collectively and individually.

Dear Parents,

We have had a busy week carrying out our parent consultations. It has been a pleasure to talk to you about the progress that your children have been making, and Class Teachers have reported positively about the process.

Below are the percentages of parents who took part, divided into age groups. If you have not yet met with your child's Class Teacher, please contact the school to book an appointment.

Year 3	89%	Year 4	91%	Year 5	93%	Year 6	91%
--------	-----	--------	-----	--------	-----	--------	-----

Please could you contact the school if you know of an Italian speaking Teacher, who would be interested in supporting some of our children for one day per week. I would also be grateful to know if any secondary schools offer Italian as their Modern Foreign Language.

Please note that there will be an earlier finishing time of 12 noon at the end of the Autumn Term (Tuesday 21st December).

With many thanks and wishing you a relaxing weekend.

With best wishes,

Christina Singh
