Friday 4th February 2022

Thought for the week...

Tuesday 1st February marked the Chinese New Year, also known as the Lunar New Year. It is the festival that celebrates the beginning of a new year on the traditional lunisolar and solar Chinese calendar.

2022 is the year of the tiger, an animal that symbolises strength and bravery.

Dear Parents,

It was lovely to welcome the children in years 5 and 6 back to school on Friday, and the children in year 4 on Monday. I am pleased to tell you that all staff members have now returned to school after their isolation period.

Thank you for all you did to support us during this challenging time; it is greatly appreciated.

This week, with the improved weather conditions, it has been a pleasure to see the children undertaking some outdoor learning activities. We are interested in doing some further work to develop our outdoor spaces and plan to research the options during the next financial year.

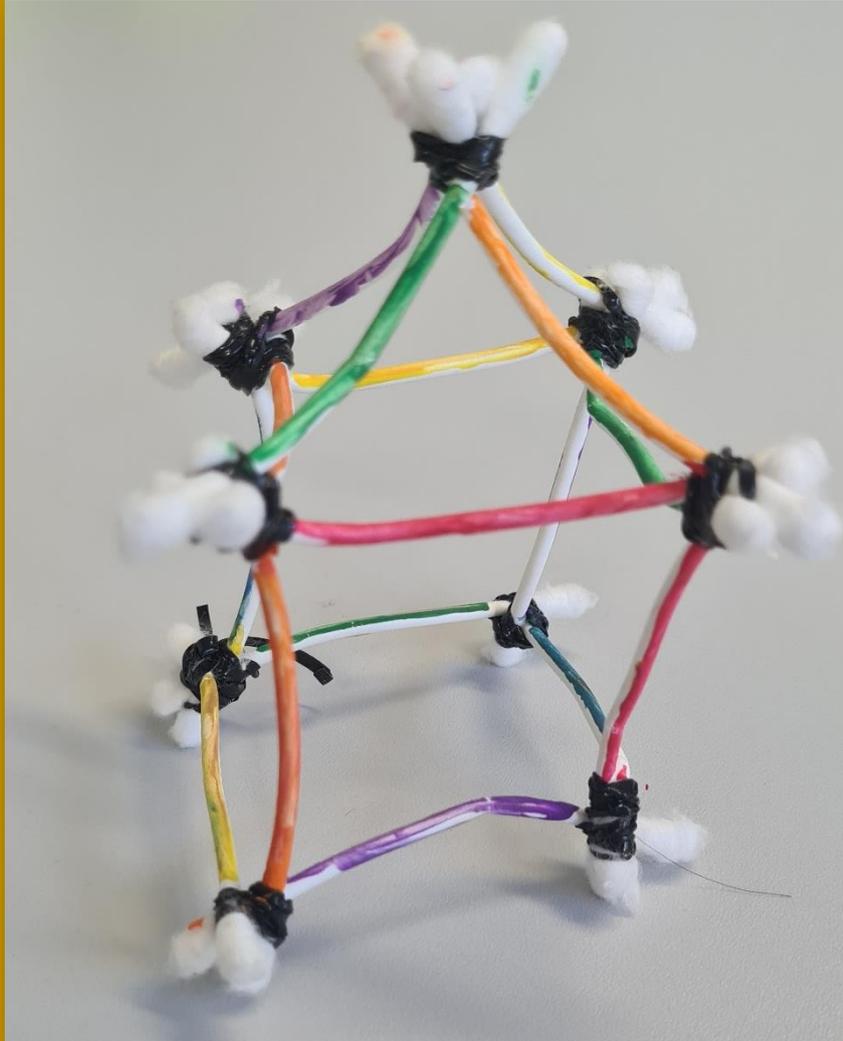

Wishing you a happy weekend.

With best wishes,

Christina Singh

Headteacher

Gallery

Aanshi has designed and constructed this house. She carefully considered her building materials and her design in order to build a strong structure.

Leon (Year 4 Juniper) designed and built this wonderful model of an Anderson shelter.

Maple Club

We are very pleased with how Maple club, our before and after school provision, is going.

The breakfast club runs from 7.30–8.30am each morning, giving parents the opportunity to drop their children before they go to work, knowing that they will have a quiet and calm start to the day.

Our after school provision runs from 3.30–6pm, and the children enjoy a variety of activities which are organised by our high-quality staff.

Places can be booked on gateway and we accept the following vouchers:

- Edenred
- Care 4
- Tax-free childcare vouchers

Why not give Maple club a try?

Stars of the week 28th January 2022

The following children have been nominated by their Class Teachers to be the star of the week this week for an aspect of learning, an achievement or positive behaviour. However, all the children deserve congratulations for a successful week.

Class	Nominee	Reason
Holly	Aamir	<i>For excellent vivid and imaginative creative writing.</i>
Willow	Kamden	<i>For showing that even when things might be challenging you were able to be incredibly brave, overcome your fears and show that you can do it.</i>
Oak	Milind	<i>For demonstrating excellent Google Meet etiquette while learning online.</i>
Juniper	Joshua	<i>For demonstrating an excellent attitude towards his learning across the curriculum this week.</i>
Elm	Grace	<i>For taking such a mature approach to group work when learning at home this week. She led her group in ensuring that everyone was on task and happy with what they had to do and made sure that she checked in with the teachers if she needed support. She has produced some wonderful work as well!</i>
Beech	Lucas	<i>For showing focus and high levels of engagement in our home learning.</i>
Rowan	Ellie	<i>For working diligently at home, taking her time to reflect on her work and improve it. Well done!</i>
Poplar	George	<i>For his excellent attitude to home learning and for always being enthusiastic and dedicated to his learning.</i>

Stars of the week 4th February 2022

The following children have been nominated by their Class Teachers to be the star of the week this week for an aspect of learning, an achievement or positive behaviour. However, all the children deserve congratulations for a successful week.

Class	Nominee	Reason
Holly	Nishkrutha	<i>For creating a beautifully imagined, vibrant and intricate 'Tree of Life' design.</i>
Willow	Riyen	<i>For being a resilient learner this week and taking the time to work methodically when completing short multiplication problems.</i>
Oak	Zahra	<i>For showing real determination and resilience during our maths lessons on long division.</i>
Juniper	Tyler- James	<i>For working hard across the entire curriculum and always setting an example to his classmates.</i>
Elm	Aarith	<i>It has been lovely to see Aarith supporting and coaching his classmates in our maths lesson this week. A mini teacher in the making!</i>
Beech	Chetana	<i>For doing fantastic work in her Maths assessment and working brilliantly in her group making parachutes.</i>
Rowan	Aahana	<i>For always being a thoughtful and considerate friend and taking the time to listen carefully to those around her. Your kindness always impresses me!</i>
Poplar	Yashica	<i>For writing an excellent explanation of her future aspiration: an astronomer.</i>
