Thought for the week...

‘Learn everything you can, anytime you can, from anyone you can – there will always come a time when you will be grateful you did’

Sarah Caldwell

Dear Parents,

I hope you had a happy and restful half term– it was lovely to welcome the children back to school on Monday.

Many thanks for all the messages Mr Watts and I received during our recent absence from school. They were all very much appreciated!

Covid 19 guidance

As you will be aware, the guidance on covid 19 has been updated by the government. We are attending a covid 19 briefing for schools today and will update you with any additional information that we are given.

Please continue to monitor any symptoms in your children and communicate with the school so that we can manage any risk effectively.

We will no longer be asking parents to wear a facemask when collecting children from school. Thank you for supporting the school by taking all the suggested precautions – it has been pivotal in minimising the disruption to your children’s education.

Attendance and late marks

I am pleased to tell you that our attendance percentages are improving. Today, we have 97.6% of the children in school.

We have noticed that an increased number of children are arriving at school after the register has been taken.

Please can you ensure that your child arrives at school by 8.50am at the latest. If they are late, they miss important messages and initial instructions from their Class Teacher and the beginning of their day is disrupted.

With best wishes,

Christina Singh

Headteacher

Maple Club

We are very pleased with how Maple club, our before and after school provision, is going.

The breakfast club runs from 7.30–8.30am each morning, giving parents the opportunity to drop their children before they go to work, knowing that they will have a quiet and calm start to the day.

Our after school provision runs from 3.30–6pm, and the children enjoy a variety of activities which are organised by our high-quality staff.

An afternoon tea is now available to order so that your child can receive a healthy snack.

Places can be booked on gateway and we accept the following vouchers:

- Edenred
- Care 4
- Tax-free childcare vouchers
