Thought for the week...

*'Every spring is the only spring, a perpetual  
astonishment'*

## Many congratulations...

To Argun, who has had his first book as a beta reader published. What an achievement!

The Cadwaladr Chronicles is the best seller on Amazon at the moment.

# Football Match

A few weeks ago Jack, Albie, Lewis and Theo came to see me to ask if the school could organise a football match for a team of boys in year 6.

I am very grateful to Mrs Baxter who arranged for the boys to have extra coaching, and liaised with Cassiobury Junior School to arrange this event.

I would also like to thank Mr Rimell who coached and managed the boys on the day.

It was a wonderful event, the first opportunity we have had to arrange an inter-school activity.

Thank you to all the parents who came to support the boys – Nascot Wood Junior School staff were particularly pleased to see parents that they haven't seen for the last two years.

Many congratulations to the following boys who represented the school so well in the match: Mason, Thavish, Miles, Albie, Lewis, Jack, Noah, Theo, George, Sam, Rohan, Ethan G. Both teams played well and the score was 3:2 to Cassiobury Junior School.

We hope to organise some more events in the future.

## A request from Miss Derbyshire...

Now that we have reached the beginning of spring, Miss Derbyshire has begun work on the school kitchen garden that has been developed by the year 3 team. Every year, the children learn how to grow vegetables and develop their understanding of where food comes from. Gardening is both good for their learning and for their physical and mental health.

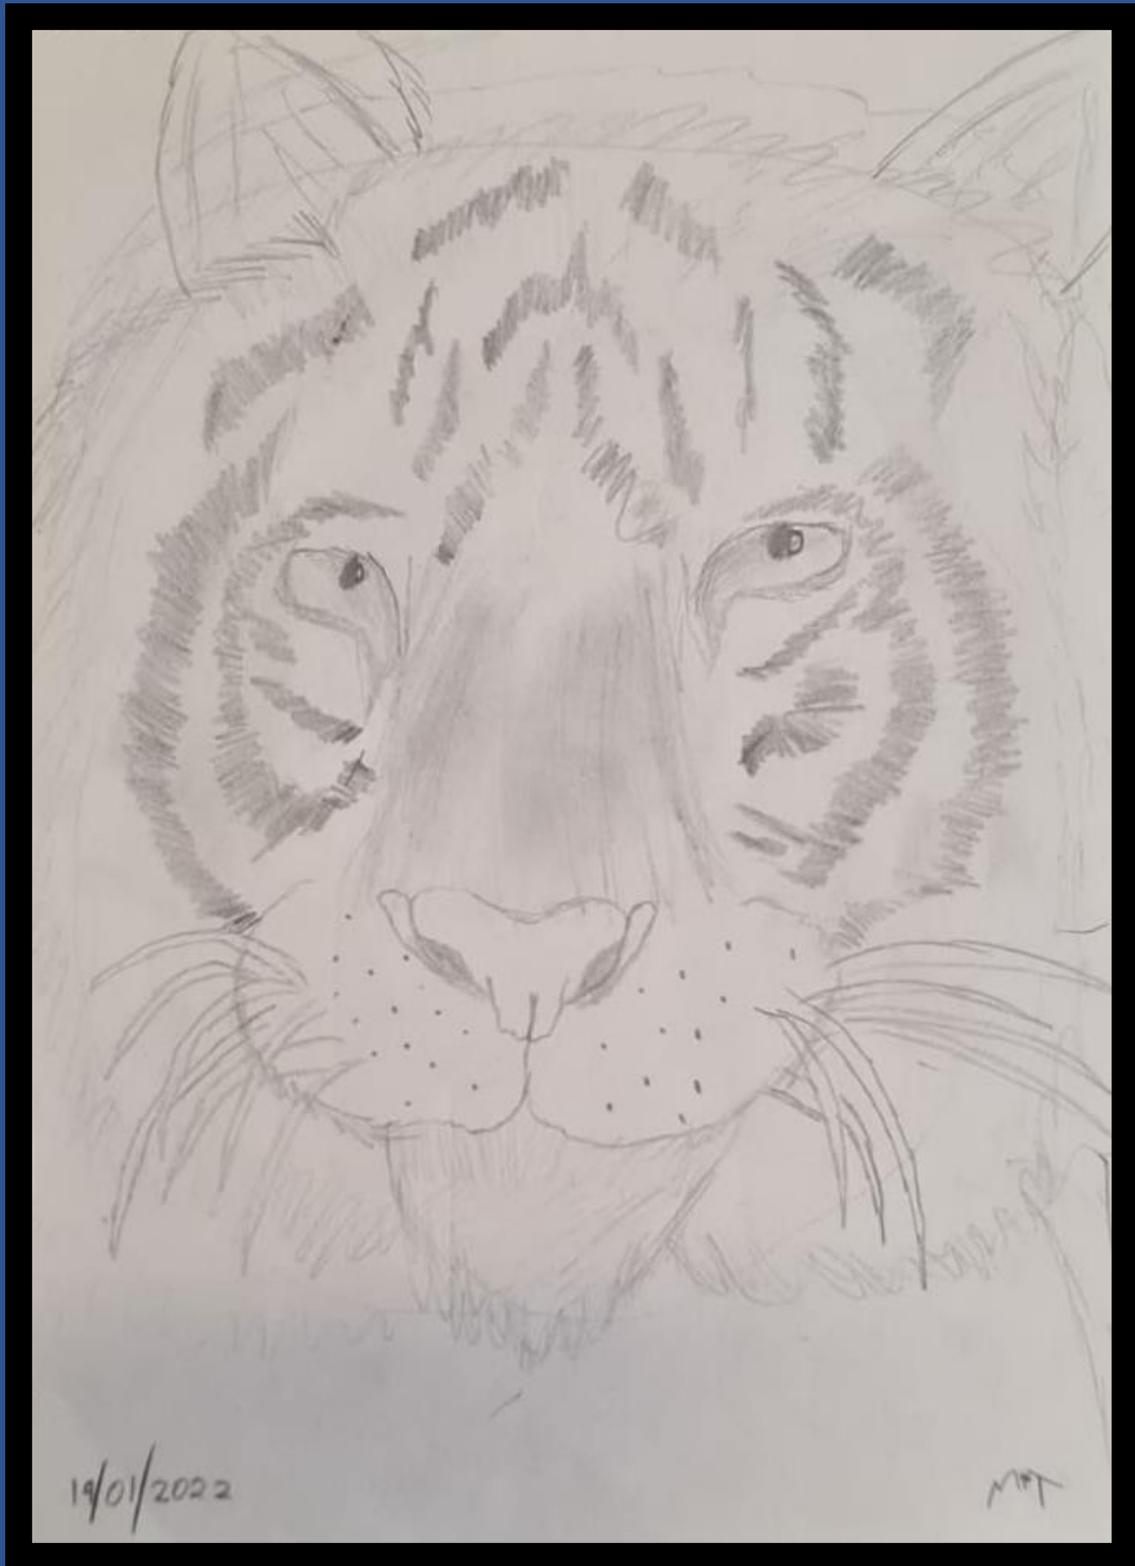

Does anyone have any compost that they would be willing to donate, so that we can replenish the soil in our raised beds?

If you are able to help, please phone the office on 01923 238784.

Many thanks.
