Thought for the week

It isn't where you came from; it's where you're
going that counts.

Parent consultations

As in previous years the parent consultations will be held remotely this term. They will be scheduled over two weeks on Tuesday 15th November and Thursday 24th November and details of appointments will follow shortly.

In previous years we have used google meet to host these meetings, but this year, we have bought into a new part of the system that you have previously used for booking appointments. We are trialling this system and will be interested in your feedback regarding ease of use.

The parents consultations give you the opportunity to talk to your child's Class Teacher about how they are settling into their new class and their progress academically.

Each appointment is ten minutes in length – if you have queries or questions that cannot be addressed during the consultation, please contact the school to book an additional meeting with the appropriate member of staff.

Film Club

On Thursday 3rd November, we will be holding a film club after school.

This will replace our usual Maple Club and there will be up to 70 spaces available.

Film club is always popular, so please book early to avoid disappointment.

Please book your child a space via school gateway.

Maple Movie Club

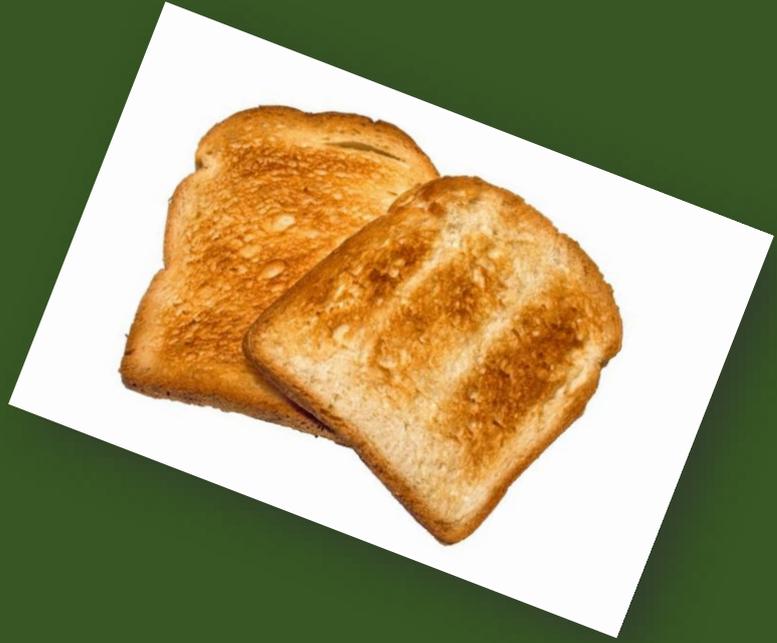

Thursday 3rd November

15:30-17:30

Please book via School Gateway

£10 per child. This includes popcorn & a drink

Breakfast club

Mrs Horwood and Mrs Lilani were pleased to welcome some new children to breakfast club this term. The children enjoy a calm and supportive start to the school day, and it is always a pleasure to have them.

As you will remember, we were considering the future of breakfast club, as not enough families were using it to make it financially viable.

In order to continue to provide this service, we need an additional four children to attend each morning.

If you are considering using this resource in the future, please could you express your interest to the school office, to ensure that this resource is retained.

Thank you.
