Year 5 visit to Berkeley Group's Eight Gardens development – Friday 2nd December 2022

Dear Parents & Carers,

As part of our Year 5 Geography topic on our local area, we are pleased to have arranged for the children to visit Berkeley Group's Eight Gardens development on Friday 2nd December 2022.

We have been looking at how Watford has evolved over time, which will lead onto how it is likely to change over the coming years. Central Watford is becoming increasingly populated with new housing developments and we thought it would be interesting to look at the impact that this is having on the town. Whilst visiting the development, we will have a talk from a local historian, who has studied the area in depth.

Beech class will have their session from 9.15-10.15am, therefore it is important that all children are in school by 8.45am at the latest, so that we can make a prompt departure. Elm class will have their session from 10.30-11.30am.

There is no cost for this visit and the children will be expected to wear full school uniform.

To ensure a fully supervised walk down to the development, we would be grateful of one parent volunteer per class to join us on the trip. Please let the office know if you can help.

Many thanks for your continued support.

Yours sincerely,

K Thompson & J Moonie
Year 5 Class Teachers
