## Thought for the week...

*Success is no accident. It is hard work, perseverance, learning, studying and, most of all, love of what you are doing or learning to do.*

This week, the children in year 6 have been taking their Key Stage 2 SATS.

This represents the culmination of four years of study and gives the children the opportunity to show the examiners what they have learnt.

All the children coped really well with this challenging week, which prepares them for the public examinations that they will take at secondary school.

Congratulations to the whole year group!

Congratulations...

Congratulations Aleya  
for achieving a  
distinction in your  
Grade 2 Associated  
Board Violin exam.

What an achievement!
