

6 September 2023

Dear Parents,

Year 5 Astronomy Road Show Tues 26th September 2023

As part of our science topic 'Earth and Space' we have arranged a visit by 'The Astronomy Roadshow' in school on Tuesday 26th September 2023.

The roadshow gives the children a fantastic opportunity to visualise space and how it works, as well as complementing our half term topic - Space.

The cost for the roadshow will be £6 payable via School Gateway by 15th September.

Yours sincerely

J Moonie & T Merrill

Year 5 Class Teachers
