Friday 1st March 2024

Thought for the week...

*Blossom by blossom the
spring begins*

Daffodils growing in the school kitchen garden

A big thank you to all the year 4 families for their amazing effort creating our Year 4 Roman shields – all the children had a spectacular time recreating Roman army formations.

Playground games

If your child would like to bring some play equipment into school they are welcome to bring either of the following items; a sponge tennis ball, or a skipping rope.

To ensure that suitable equipment is brought into school, I have added a link for a sponge tennis ball, a skipping rope and a long skipping rope, should you wish to purchase.

[skipping rope](#)

[long skipping rope](#)

Please ensure that any equipment that your child brings into school is clearly labelled, as we cannot take responsibility for loss.

Stars of the week 1st March 2024

The following children have been nominated by their Class Teachers to be the star of the week this week for an aspect of learning, an achievement or positive behaviour. However, all the children deserve congratulations for a successful week.

Class	Nominee	Reason
Holly	Ayan	<i>For excellent team work and maturity during wet play activities. You listened well to your group, solved problems and then tidied up what you were using. Many thanks for being a responsible member of the class.</i>
Willow	Willow class	<i>For being great students and welcoming me back with enthusiasm. I have been impressed with how you've maintained your high standards of work and behaviour and adapted to the change. Well done, Willow Class. I look forward to the rest of our year together.</i>
Oak		<i>For being a fantastic role model in class and persevering in her learning.</i>
Juniper	Reyansh	<i>For fantastic knowledge of our maths topic and helping the class to use mental strategies to improve their speed when adding and subtracting fractions.</i>
Elm	James	<i>For always being engaged and trying his best, no matter the lesson.</i>
Beech	Maddie	<i>For showing growing confidence in maths especially in our fractions, decimals and percentages work.</i>
Rowan	Eissa	<i>For demonstrating excellent rallying skills in Tennis during P.E. this week.</i>
Poplar	Isobel	<i>For excellent ratio problem solving in mathematics and for having the same 'perfect' body ratios as Leonardo Da Vinci's 'The Vitruvian Man'.</i>
