Thought for the week

‘Embrace the new beginnings, for everything happens for your own good’

Aamilah Riza

Dear Parents,

It has been a pleasure welcoming your children back to school and they have made a good start to this academic year.

We are enjoying getting to know our new year 3 children and they are adjusting well to the expectations of the new key stage.

As you know, we operate a one-way system when we dismiss the children each day. Please remember that Mr Watts and I are there to point you in the right direction if you are not sure which classroom your child is in. So far, the arrangements seem to be working well.

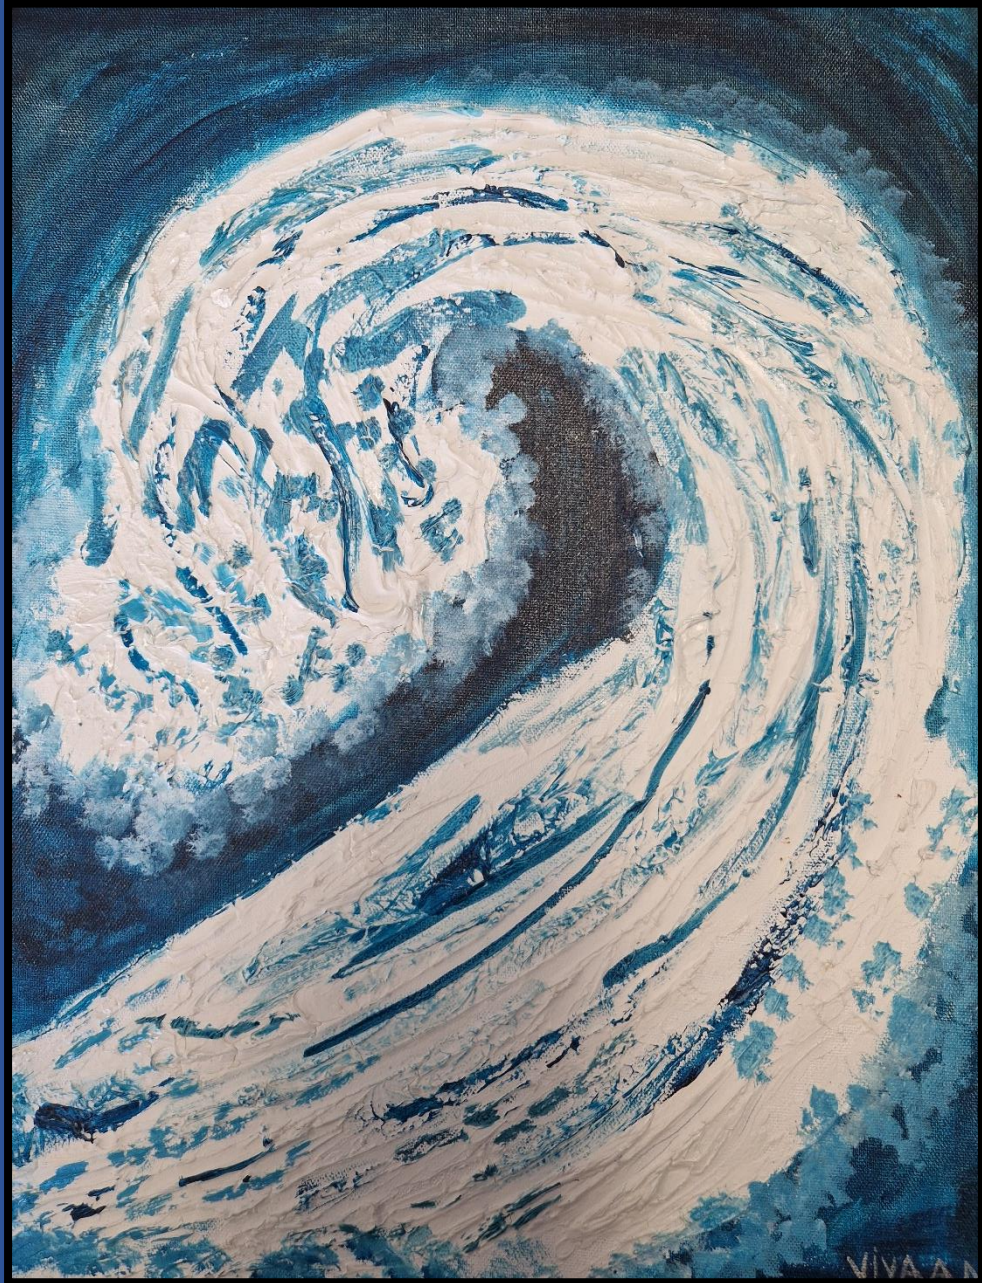

You may have seen my email advertising for two Midday Supervisory Assistants. If you are interested in this role, please contact the school office and they will send you an application form. We will be interviewing at the end of next week.

With best wishes,

Christina Singh

Headteacher

Junior Leadership Team

Each year our year 5 children have the opportunity to apply for Junior Leadership Team positions. The children submit an application form and, those who are shortlisted, are invited for interview. The process is designed this way to give the children experience for the future – applying for a new school, university and, eventually, a job.

Many congratulations to all those who applied. Here are the Junior Leadership positions for 2024–25:

Amir , Head Boy

Hiteshree , Head Girl

Rayen, Deputy Head Boy

Maryam , Deputy Head Girl
