Y4 Visit to Bhaktivedanta Manor

This year in Religious Education, Year 4 are learning about Hindu beliefs, customs and festivals. To enhance their learning they visited Bhaktivedanta Manor in Aldenham.

The children had a tour of the grounds to see the farm animals and had a ride in a bullock cart. Inside the house they had an interactive session about Hinduism and the shrine and were given opportunities to try on Hindu costume and learn some traditional face-painting designs.
