Home-school agreement 2026

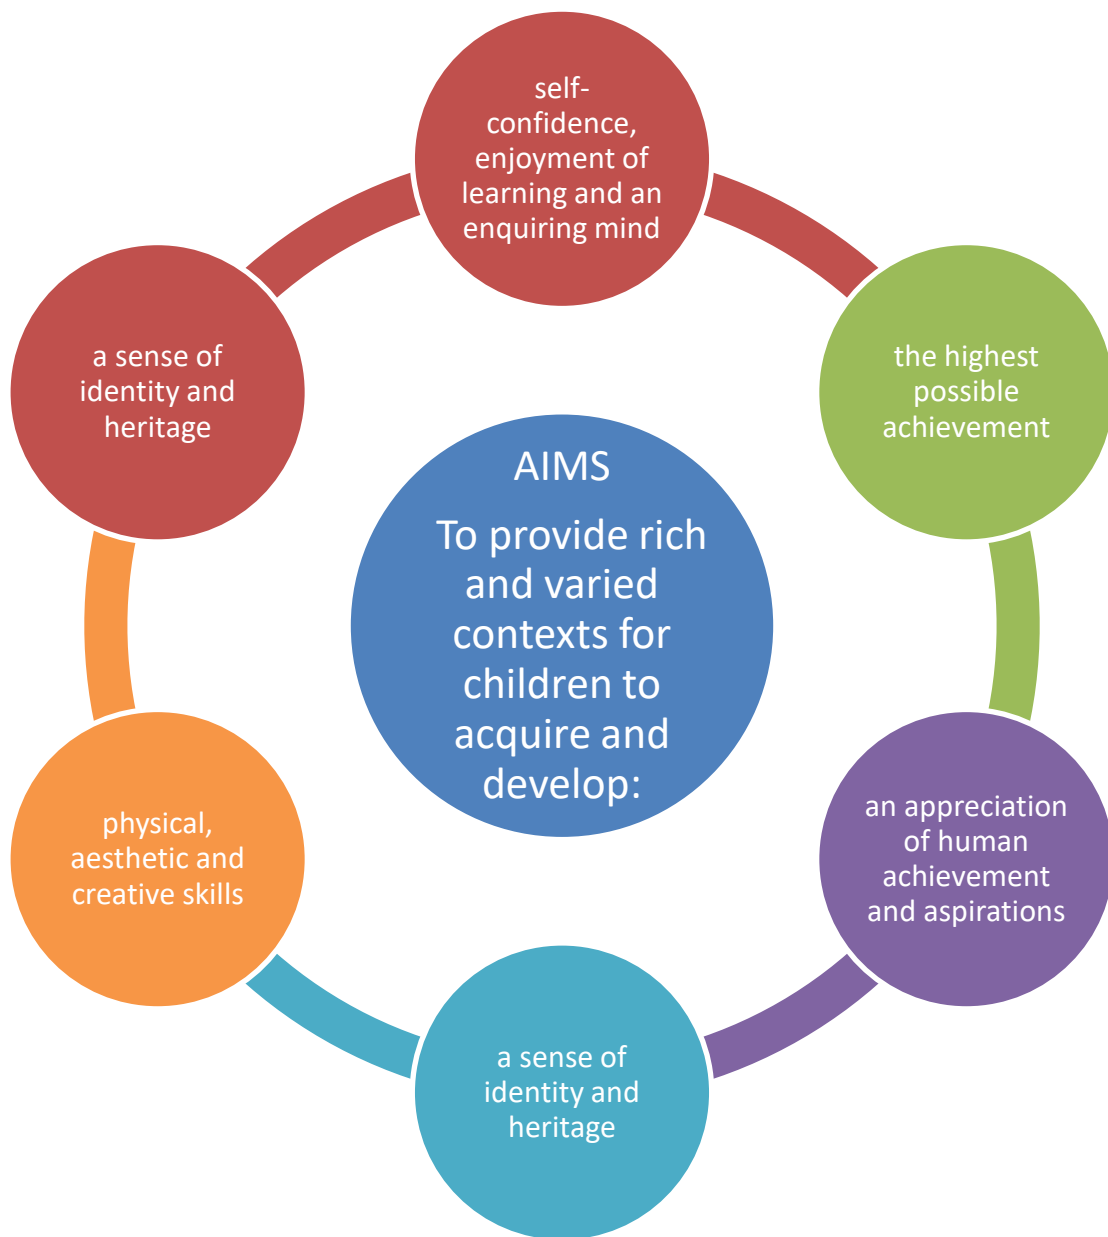

Nascot Wood Junior School's Home-School agreement is an important document that forms the basis of our partnership working with Parents. We value this partnership with you and recognise its importance in ensuring that each child feels happy and makes good progress.

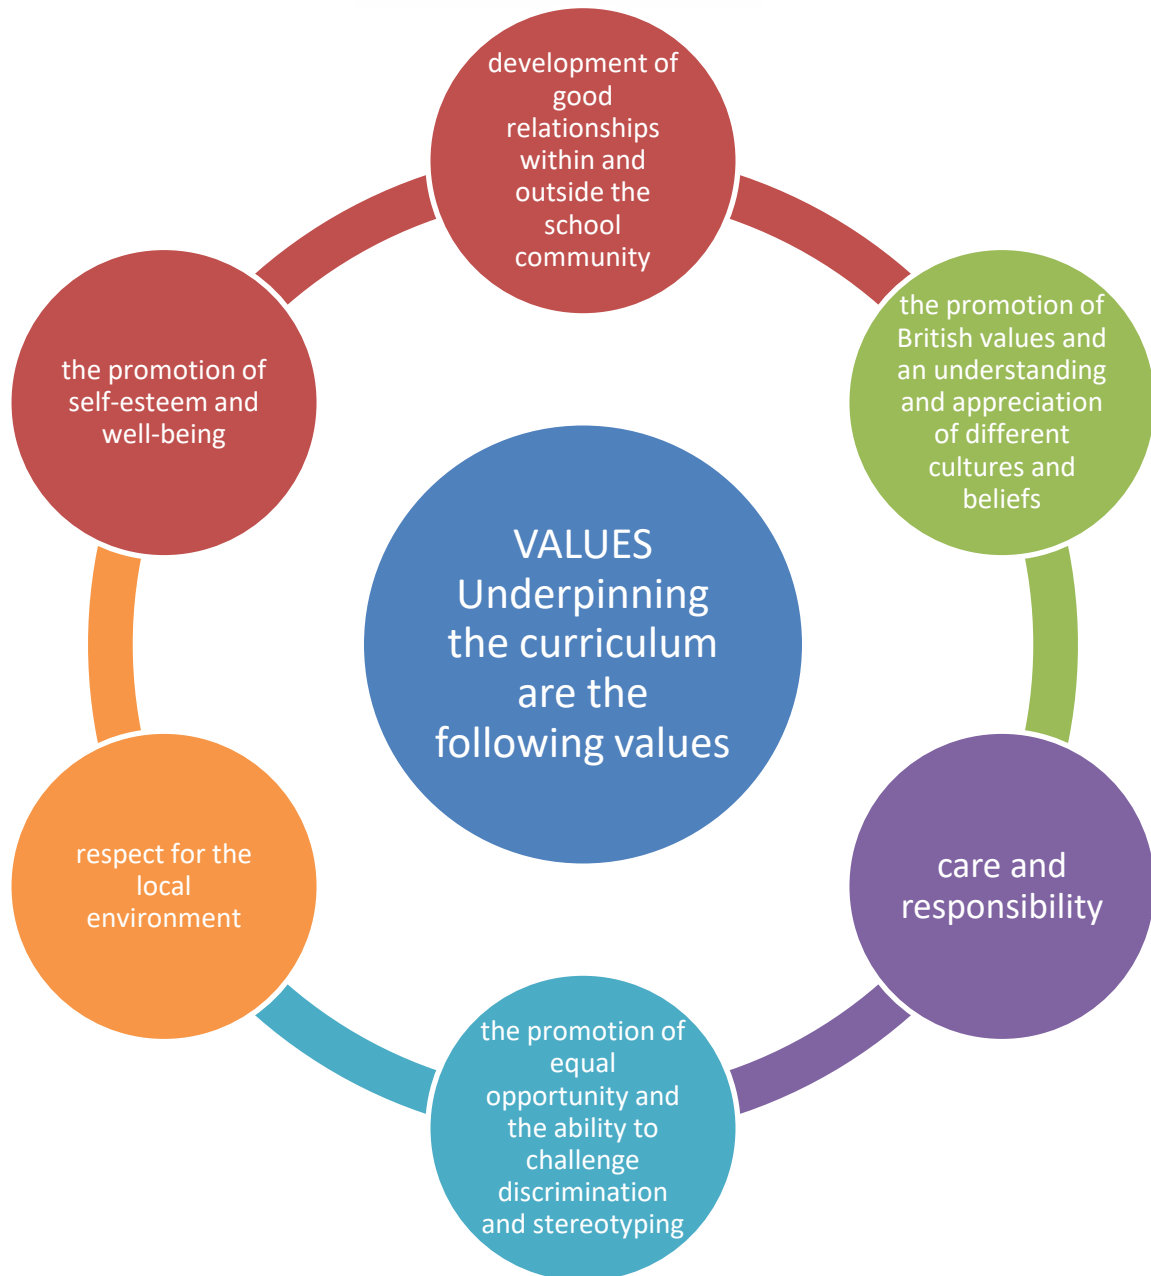

Everything that we do and achieve at Nascot Wood Junior School is underpinned by our vision that:

We are a community of learners, fostering and developing a life-long love of learning

The school's aims and values further reinforce this vision:

What you can expect from us

- We will investigate your concerns and work hard to find a solution that is effective
- We will communicate your concerns, when appropriate, to other members of staff
- We will supply you with information about your child's progress at the Autumn Term Parent's evening, the Spring Term Annual Report and the Summer Term Open Evening. If you have concerns about your child's progress at any other time of the year, we will provide you with the most up-to-date information
- We will contact you if we have any concerns about your child

What we expect from you
